

SECTION: SPORTS SCIENCE AND PUBLIC SERVICES SECTION

The Sports and Public Services Section is a dynamic and outstanding area of the College.

The Section prides itself on delivering outstanding education to all its students. The majority of courses have success rates significantly above the National Average and its vocational courses achieve a high number of triple distinction grades

The Section offers a range of courses including:

- A level PE
- Level 2 Diploma in Sport
- Level 2 Diploma in Public Services
- BTEC Extended Diploma in Sport
- BTEC Extended Diploma in Sport Coaching
- BTEC Extended Diploma in Public Services
- Subsidiary Diploma in Sport
- Subsidiary Diploma in Public Services
- Level 2 in Fitness Coaching
- Level 3 in Personal Training
- Sport Vocational Diploma (Level 1)
- CSLA
- Level 3 Sports Massage

The Colleges Sports Academy is also based within the section and we now offer sports academies in Athletics, Badminton, Basketball, Cricket, Football, Golf, Netball, Rugby, Swimming, Table Tennis and Tennis. Our biggest academy is the Football Academy (male and female) which we run in conjunction with The Chelsea Foundation. The College achieves significant sporting success both regionally and nationally through our Academy. Further details can be found on our website.

The section has also lead on the Tackling Inactivity project. This is a Sport England project aimed at encouraging inactive young people to get active.

The College has excellent sports facilities including a large sports hall, a gym, a floodlit 3G all-weather pitch, climbing wall, football pitches and tennis courts along with a range well equipped classrooms including IT facilities.

Current Vacancies:

We have two vacancies within the sections for September 2021. In both cases we are looking for enthusiastic, well qualified staff who will make a positive contribution to the section and the College. the successful candidates will teach across a range of vocational course at levels 1, 2 and 3. They will also be a personal tutor.

Post 1: Teacher of Public Services – Our Public Services courses are expanding and we are looking for a full time teacher, preferably with employment experience within a public service as well as teaching experience to join the team. We offer a Certificate in Education course through the College so would also be interested in candidates who have employment experience who wish to retrain as a teacher.

Post 2: Teacher of Sport Science – Sport course continue to be a popular choice for young people and the section offers a range of courses from level 1 to level 3 in this area. The successful candidate will be able to contribute across the levels.
